**LIVE DEMONSTRATIONS BY TURNSTYLES SKILLED ARTISANS. HAND STITCHED LEATHER DOOR HANDLES BEING MADE AT 100% DESIGN AND FOCUS 2016**

Turnstyle Designs have been making beautiful door handles for 25 years and have been producing hand stitched door hardware for the past 15 years.

All of our craftswomen have had many, many hours of specialist training to learn how to hand stitch the many different designs and products that Turnstyle Designs produce each year.

For the first time at this year's Focus 16 (Design Centre, Chelsea Harbour) and 100% Design, (Olympia) Turnstyle craftswomen will be demonstrating the art of hand making leather door handles and cabinet hardware.

Come visit our showroom and our Stand (**L212**) to appreciate the skills required to make such beautiful hardware and try some stitching for yourself.
