Turnstyle Designs Ltd honoured with Queens award for Enterprise.

Turnstyle Designs Ltd is delighted and humbled to announce that it has been awarded a Queen's award for enterprise - the UK's highest accolade for business success. The honour has been awarded in the category of 'International Trade' in recognition of exceptional export sales.

As a Queen's Award winner, Turnstyle Designs can expect an invitation to attend a special reception at Buckingham Palace with H.M. the Queen later in the year. It is also allowed to use the Queen's Award Emblem in advertising, marketing and on packaging for a period of five years as a symbol of its quality and success.

MD and founder Steve Roberts of Turnstyle Designs Ltd said *"I am extremely proud that Turnstyle Designs has been selected for such a prestigious award, the award is in recognition of the whole company in every department and all their hard work as well as our hardworking partners and reps around the world who represent our line and look after our clients so well. I know how much this will mean to the staff and their families"*

Despite Brexit fears, Steve is still bullish about further growth both in the UK and export markets, the business is expanding both factory premises and offices this year. The company have taken on a new Export Sales manager in the past year who has opened up new dealers in Germany, Russia, Ireland, Taiwan and Australia, with more expansion planned for the coming year.

About the company:

Started in 1992 by Steve Roberts, the company has steadfastly retained its Made in England credentials and have grown into one of the foremost producers of design led architectural hardware. The company specializes manufacturing high end door and furniture handles combining engineering with craftsmanship including leatherwork, patinating and planishing.

The company employs 35 staff at their North Devon factory and offices, they have a showroom in London's prestigious Design Centre in Chelsea Harbour as well as a subsidiary in the USA . Turnstyle distribute through three core avenues: a large network of specialist hardware dealers, direct to the Superyacht Marine industry, and also to OEM clients including furniture manufacturers.

The company exports to over 40 countries with dealer partners in 21, the USA is being the largest, export accounts for over 70% of production. The award was given for three years of rapid growth growing by over 17% increase over that period, with overall sales growth at 41%, this along with a clear strategy for further growth and development was recognized by the voting panel for the Queens Award.

About the Queen's Award

Queen's Awards (QA) have been announced this year for outstanding business achievement in the fields of International Trade, Innovation and Sustainable Development. Winners of The Queen's Awards can expect an invitation to attend a special reception at Buckingham Palace.

QA winners can also use The Queen's Award Emblem in advertising, marketing and on packaging for a period of five years as a symbol of their quality and success. The awards are made annually by HM The Queen and are only given for the highest levels of excellence demonstrated in each category.
