

## REDUCED PROJECTION PULL HANDLE OPTION

Some of our 19mm and 25mm diameter pull handles are available with a reduced projection of 40mm and 45mm respectively.

Suitable for appliance and wardrobe doors the reduced projection is only available in the Bolt Fix (P01) configuration. Supplied with M10 x 25mm fasteners.

Catalogue code will not change (i.e. R1069, S1340, P1079) however the code suffix will illustrate the reduced projection as follows :

P1079-SBFA-S0300XXP01XX45 or R1073-CTPN-S0400XXP01XX40
