

WINDOW ESPAGNOLETTE HANDLE

Our sleek and stylish Window Espagnolette handle is perfect for opening up windows on those fresh spring mornings.

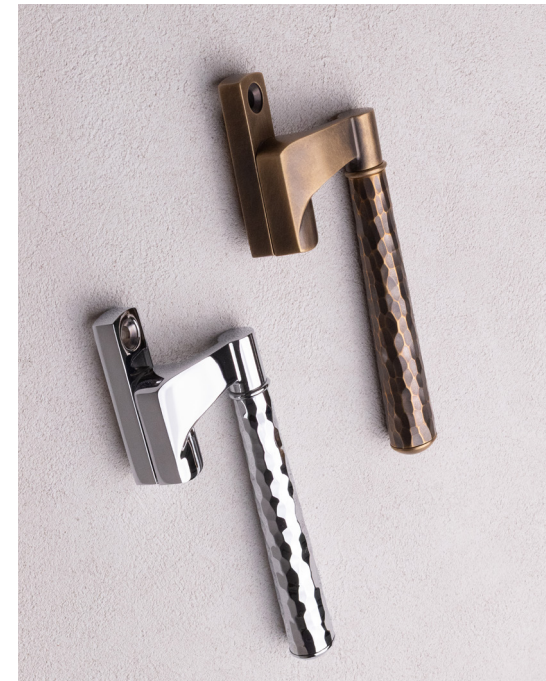

Designed with luxury sunrooms and bespoke joinery projects in mind, this versatile range complements any interior design.

Available in our signature brass and hand hammered finishes, this window handle comes in both a lockable and non-lockable option.

Visit our website or the London showroom to discover more and discuss your projects with their expert team of sales people.
